**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

Atty. Stephen Glade called on 06-04-2010 and said that the 10-12-2006 IDS was not considered and scanned into the file wrapper. A review of the PALM database indicates that the 10-12-2006 IDS was considered on 12-18-2007. The IDS appears to have inadvertently not been scanned into the file wrapper. The IDS is considered and attached hereto. The examiner apologizes for any confusion.
